Place end of yarn inside folded paper (A). Slide folded edge of paper through eye of needle and pull through (B).

Hints

- ..Read all instructions carefully before beginning.
- ..Separate yarn colors, checking them with your color guide.
- ..If fabric tends to fray, apply masking tape to the back of the fabric along the cut edges. When stitchery is finished, remove tape carefully.
- ..To begin stitching, secure yarn by sliding needle thru a few stitches on back of fabric, or knot one end of yarn, and come up in desired spot.
